

REVERSE LOGISTICS ASSOCIATION®

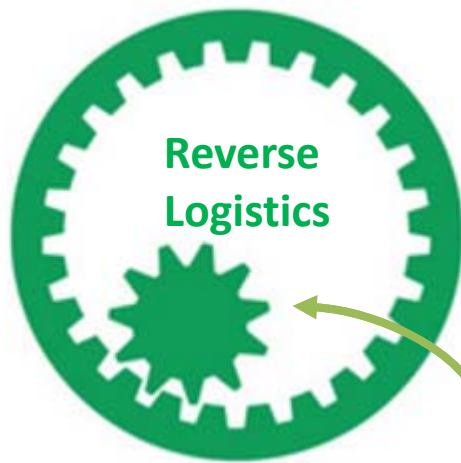

Announcing:

The Reverse Logistics
Services Directory and
Buyers Guide

To be released September 2021

What it is...

- A resource for the Circular Economy

The cog that makes it work!

A work in process...

For active RLA members who provide services or tools/resources to the reverse logistics industry

The RLA is creating the first dedicated services directory and buyers guide

To help manufacturers and retailers to identify service partners and tools they need!

www.rla.org/directory

(in the sandbox till Sept.)

The screenshot shows the RLA Services Directory website. The header includes the RLA logo and navigation links. The main content area features a search bar and a list of companies. The companies listed are:

Update This Company
Change Companies ▾

- ❑ You will notice the update button.
 - Click on it and see next page

- Each company has a lead account member or primary user.
- Only that person can update the profile
- If the **green update** button does not appear, you are not that person.
- Email to directory@rla.org if that person is not available. We will adjust our records.
- Be sure to scroll down and complete all the information.
- ONLY 3PSPs, Software companies and Resellers (not retailers of new goods) are included in the directory.
 - It is created for manufacturers and retailers to identify outsourcing partners.
 - We want the information on all companies updated anyhow since we are also launching various market research projects.

- ✓ You will now see the Profile Edit Page
- ✓ Be sure to update all applicable information
- ✓ Complete this form and your profile will be updated.
- ✓ **BE SURE TO PRESS “SAVE” BUTTON**

Please note: some of the questions on this form are not displayed in your public profile. We are gathering this information for Market Research purposes. We have noted that there are few real statistics or analysis related to the processes for returns management or the circular economy.

.... IT'S AS SIMPLE AS THAT!

Thank you for updating your profile

[One more page-- disclaimers](#)

- This directory will be available to the general public beginning this fall (2021).
- It includes RLA Members and companies that subscribe to the RLA website (Community Subscribers) at no charge.
- The general public will only see RLA members unless they purchase a temporary membership.
- RLA Members will see the extended listing of Members and Community Subscribers.
- This is intended to be a reference resource for manufacturers and retailers that are seeking third party partners for processes related to returns management.
- The RLA does not warrant the accuracy of the listings or profiles provided. The information was gathered through public sources or by the companies themselves.
